MCA of Chicago
Education Committee

Purpose
Develop educational programming for the Construction Education Institute (CEI)® and the MCA of Chicago.

Education Partners
Our Strategic Partners are the Builders Association (BA); Illinois Environmental Contractors Association (IECA); Piping Education Council (PEC); Plumbing Contractors Association (PCA); Plumbing Council of Chicago; SMACNA Greater Chicago; Underground Contractors Association (UCA) and West Suburban Association (WSA).

Things to Remember
- Bring new offerings and instructors to the CEI.
- Programs should be relevant to our EducationPartners.
- New programs are developed through members sharing information, resources and ideas with committee.

Commitment
- Attend 1-2 CEI programs annually and provide honest feedback.
- Review and recommend changes in programming.
- Attend 4 committee meetings.

Goals
- Develop and evaluate programming for the betterment of the mechanical industry.
- Ensure that the rules and policies we have in place for participation are fair and enforced.
- Continue to drive innovation with online registration; LMS coming in 2018.
